

Mrs Mary & staff,

There aren't words to describe how grateful we are for all of you. Julian has learned so much in the few months that he has been attending Kinderchicks. Everyday he comes home singing a new song. Sometimes a fun song, but most times a song that has taught him either the months, days of the week or sounds of the alphabet. Julian is so proud everyday to show us his work or tell us what he has learned that day. You are doing an AMAZING job getting Julian and the other older children ready for kindergarden. The weekly homework assignments are great and prepare him for the next level. We love how everyone of the staff at Kinderchicks treats every child like their own and shows them all so much love and respect. The activities and field trips you provide are awesome! Train rides, petting zoos and so much more that the kids absolutely love and appreciate. Every morning when we ~~pick~~ drop Julian off and every afternoon when we pick him up the kids and teachers all have a smile on their face, even at the end of a long day and that means a lot! Julian has become so independent and confident with his school work and we would like to thank you for emphasizing independence. Like, I said,

We can't say enough great things about Kinderchicks, Mrs Mary & her staff. We truly feel blessed to have found such a great pre-school and the BEST teachers. I'm sure every parent can agree that their child deserves the absolute best, and it doesn't get any better than Kinderchicks. Thank you Mrs. Mary, Ms Rosa & Ms Stephanie for all of your love, care, time and patience with Julian. We all appreciate all that you do.
